

Clark County School District
**Infant and Toddler Family Engagement
Opportunities with Lakeshore Learning®**

Description

The Clark County School District (CCSD) Early Childhood Department is pleased to offer family engagement opportunities for families of infants and toddlers through funding provided by the Early Childhood Innovative Literacy Program Grant. Lakeshore Learning® will offer sessions on six different developmental milestones. Families who choose to participate will receive a variety of Lakeshore Learning® materials specifically aligned to the topic of the session attended, allowing families extended learning opportunities at home.

Session Schedule Information

Families will have opportunities to attend face-to-face or virtual sessions, as well as receiving the learning materials for each session. A new topic will be introduced each month, with targeted sessions for Birth–12 months, 12–24 months, and 24–36 months. The schedule is linked below. All face-to-face sessions will be held at CCSD Child Development Centers.

School Family Connection

Please provide the [Infant and Toddler Family Engagement Opportunities](#) to parents/guardians via ParentLink and post to the school website no later than February 21, 2024.
